

PASSION LED US HERE
Presentation

Cloud Computing Market Size, By Region, 2016 - 2028 (USD Billion)

Source: Polaris Market Research Analysis

The approach

Reduce extensive need for cloud expertise

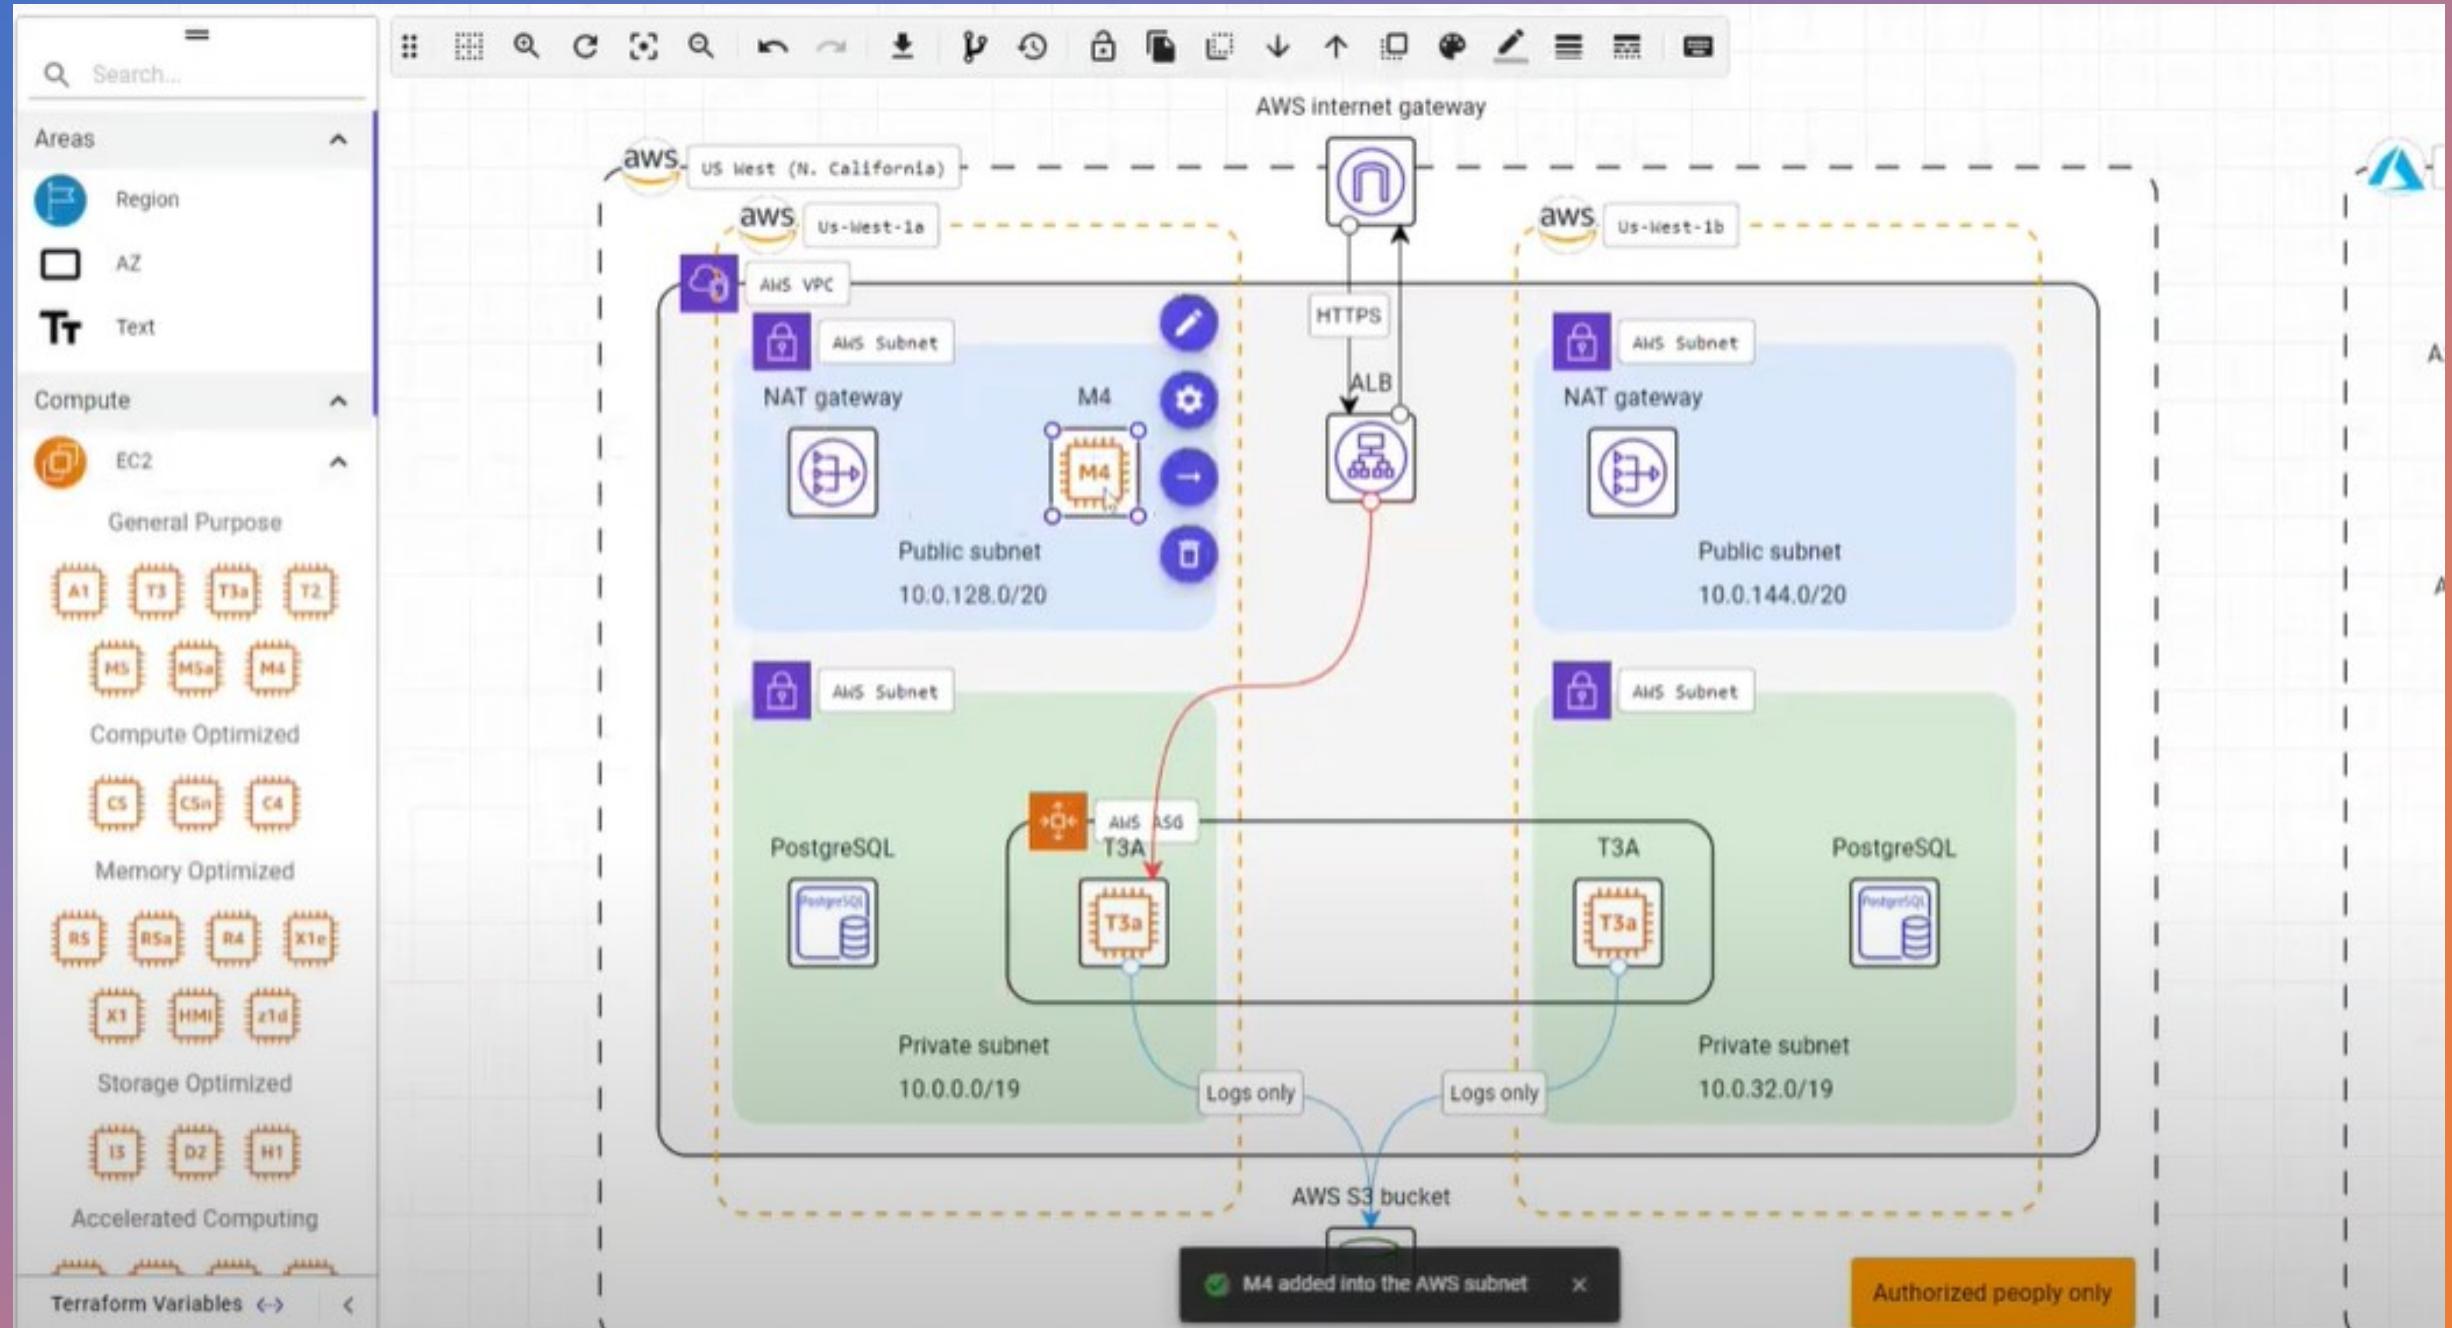

Decrease cost time to be infra ready on cloud

Full understanding across organization

Nefeles – n5s

Infrastructure as Design - IaD

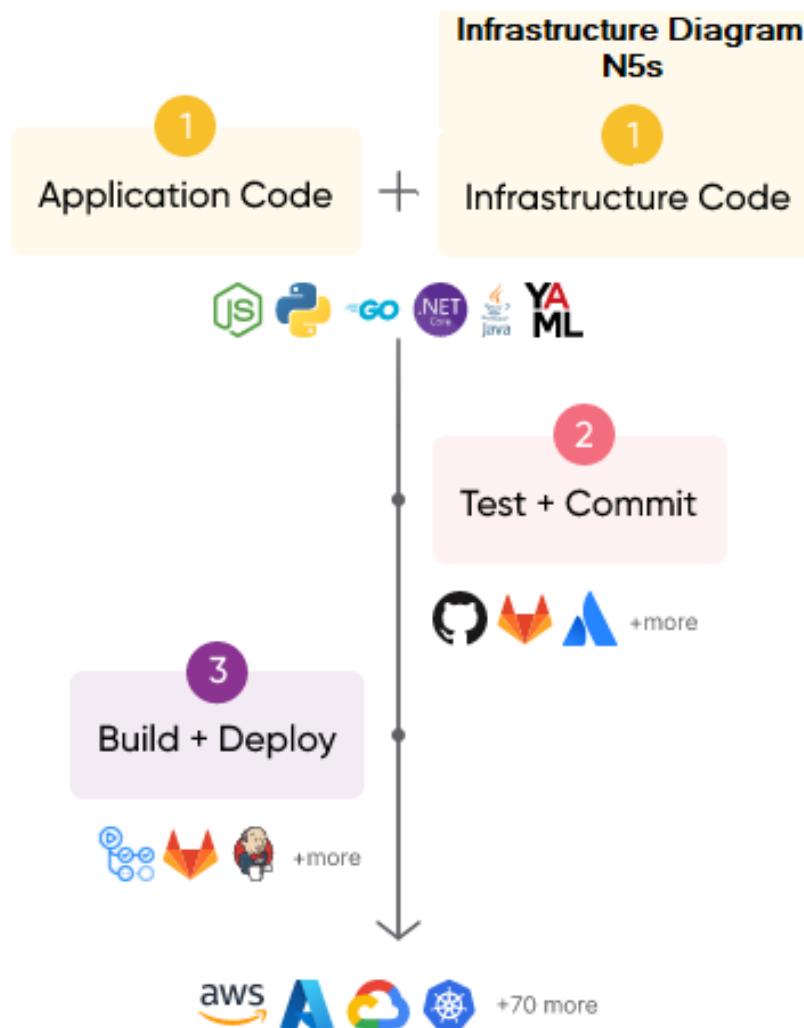

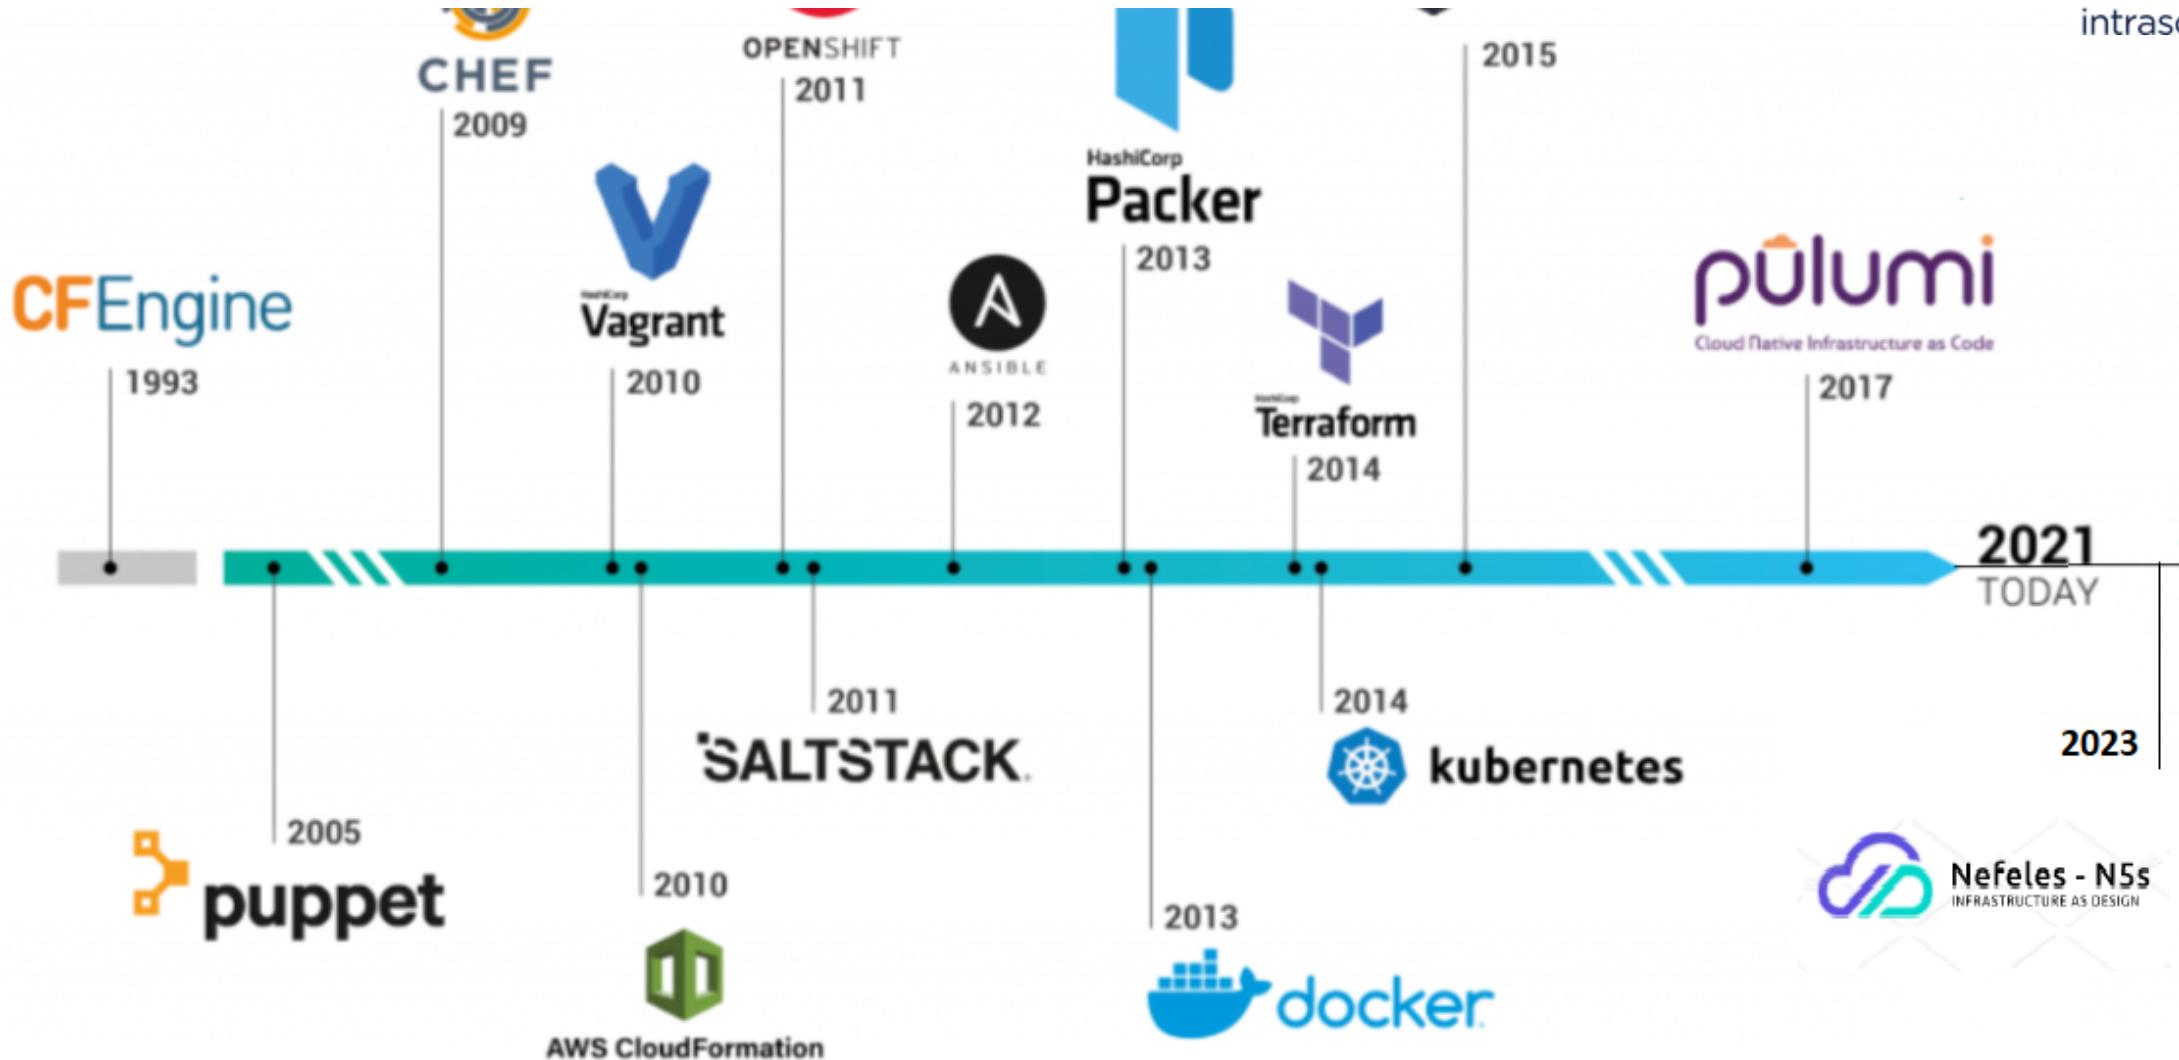

Features

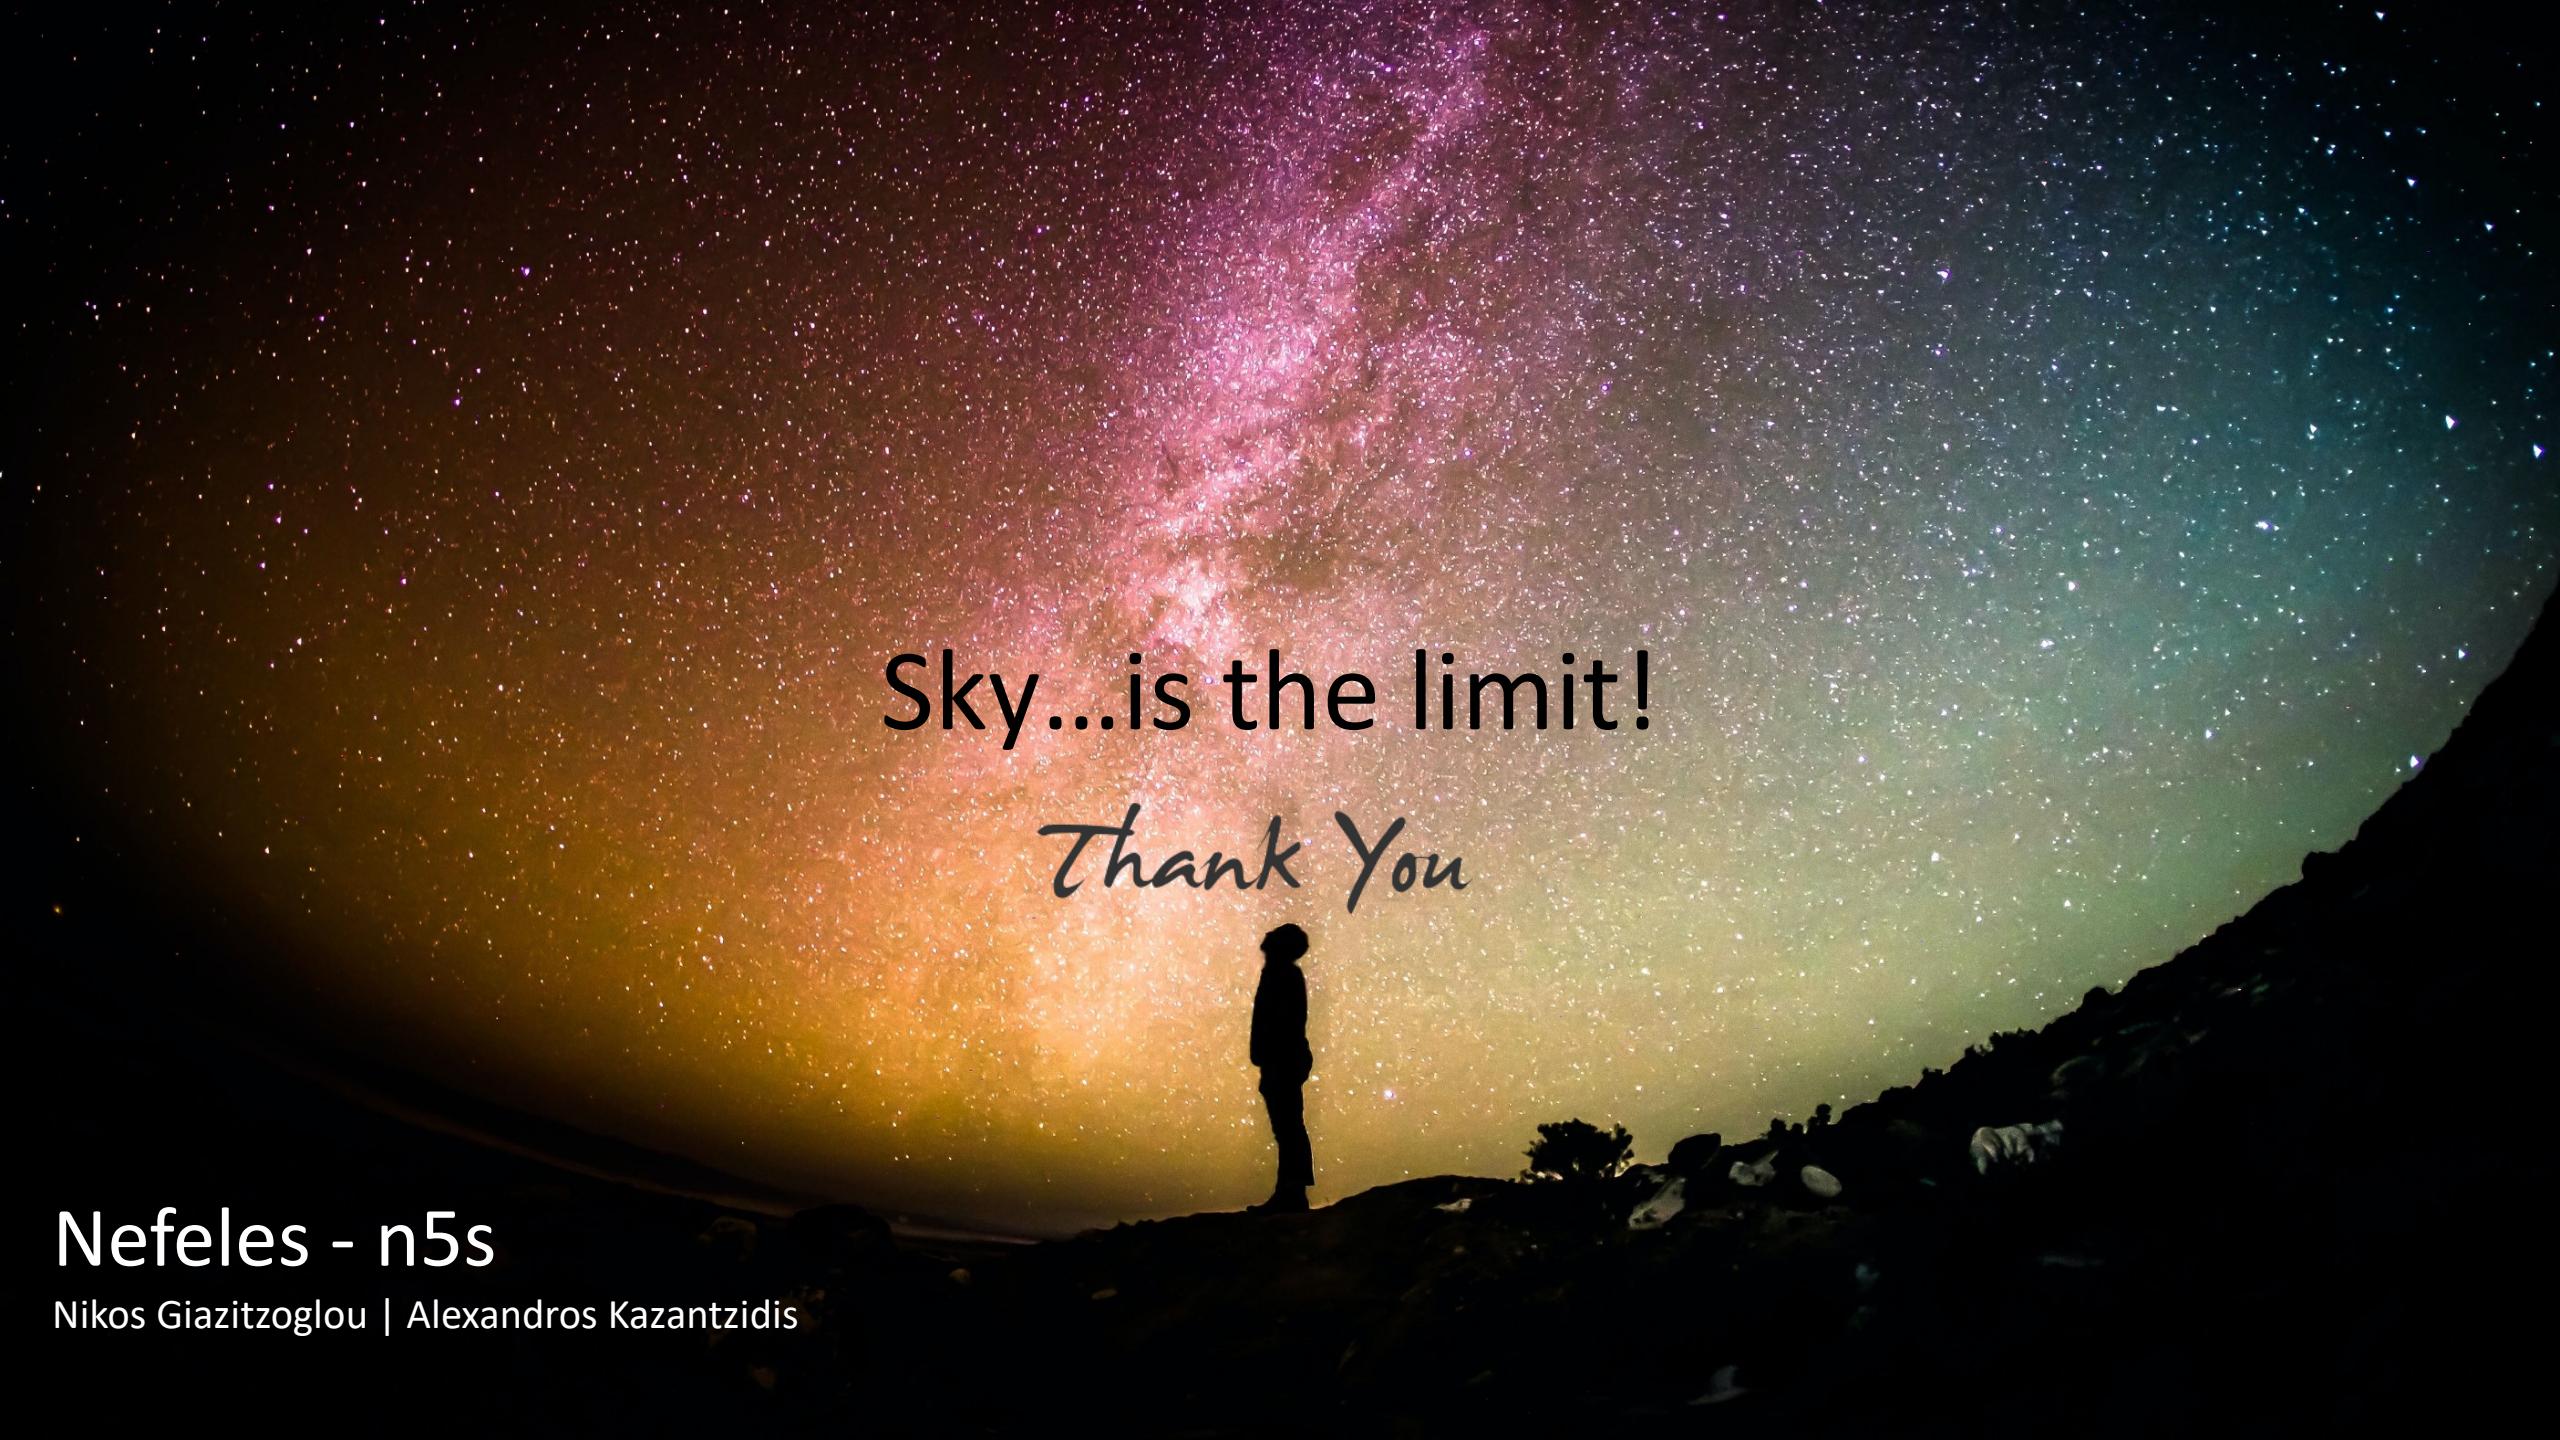

- Draw infrastructure - User friendly infrastructure as diagram
- Multi cloud support
- Users will be given control of specific components
- Cost analysis and cost optimization VIA AI
- Cloud vendor migration
- Infrastructure monitoring
- Recommendation engine via AI
- CI/CD integration
- Validation and dry-run

One Pipeline for Everyone

A photograph of a night sky filled with stars. The horizon is dark, showing silhouettes of rocks and a small tree. A single figure stands on the left side of the frame, looking up at the celestial display.

Sky...is the limit!

Thank You

Nefeles - n5s
